THE ALLUSION BLIND COLLECTION

If you're looking to create an instant impact in your home with something a little different then Allusion blinds would be the perfect choice. Suitable for all window types, Allusion blinds really come into their own in larger windows and bi-folding doors where their unique flowing fabric vanes allow you to enjoy both light and privacy.

A woman with long, wavy blonde hair is standing in profile by a large window. She is wearing a grey long-sleeved top and white pants. She is holding the white curtains, which are partially open, revealing a bright green lawn and trees outside. The room has light-colored wood flooring and white walls. The text "walk through" is overlaid on the right side of the image.
